Click into the future of website building with

No Coding, No Hassle!

වෙබ් අඩවියක් හදාගන්න දැන් හරිම ලේසියි

What is CubKit Website Builder?

CubKit Website Builder is a user-friendly tool that enables individuals and businesses to create premium business website without requiring expert coding knowledge.

Who can benefit from using CubKit?

CubKit is designed for anyone who wants to easily create stunning and premium business website, regardless of their technical skills or experience level.

What makes CubKit unique?

CubKit stands out for its simplicity and efficiency, offering a seamless experience that combines creativity and functionality, allowing users to bring their online presence to life effortlessly.

CubKit Website Builder යනු කුමක් ද?

CubKit Website Builder යනු coding knowledge එකක් හැරී අයෙකුටත්, තමන්ට හෝ තමන්ගේ ව්‍යාපාරයට වෘත්තීය වෙබ් අඩවි නිර්මාණය කරගත හැකි ඉතා සරල මෙන්ම පහසු tool එකකි.

CubKit භාවිතයෙන් ප්‍රයෝජන ගත හැක්කේ කාටද?

ඉතා උසස් සහ වෘත්තීය මට්ටමේ වෙබ් අඩවි පහසුවෙන් නිර්මාණය කිරීමට අවශ්‍යතාවක් ඇති, තාක්ෂණික දැනුමක් සහ අත්දැකීම් ඇති හෝ නොමැති ඕනෑම අයෙකුට.

CubKit කුඩා ව්‍යාපාර වෙන් කුමක් හිසා ද?

සරල බව සහ කාර්යක්ෂමතාව අතින් CubKit කැපී පෙනෙන අතර, නිර්මාණශීලීත්වය සහ කාර්යක්ෂමතාව එක් වූ ක්‍රමවේදයන් මගින් කිසිදු බාධාවකින් තොරව ඉතාමත් පහසු වෙබ් අඩවි නිර්මාණ අත්දැකීමක් ඔබට ලබා දේ. මෙමගින් online අවකාශය වෙත තම ව්‍යාපාරය කිසිදු වේගයකින් තොරව ගෙනයාමේ අවස්ථාව උදා වේ.

Exclusive Features of CubKit

Zoho Bigin

All your customers.
One simple system.

Zoho Bigin is an easy and affordable Customer Relationship Management system (CRM) designed for small teams to track inquiries, manage follow-ups, and organize customer interactions from lead to deal closure.

Product Benefits

- Organized customer information in one place
- Faster lead capture and follow-ups
- Clear visibility of deals and sales progress
- Reduce missed opportunities and manual errors
- Improved team productivity and accountability

Product USPs

- Purpose-built CRM for SMEs
- Simple setup with no complex training
- Structured sales pipeline from lead to closure
- Affordable alternative to large CRM systems
- Designed for small teams and growing businesses

Product Usages

- Tracking sales inquiries and leads
- Managing follow-ups and customer communication
- Monitoring deal progress and closures
- Replace spreadsheets and manual tracking
- Improving sales team coordination

Why It's Perfect for SMEs

- No prior CRM experience needed
- Fits small budgets without heavy investment
- Replaces manual and unstructured processes
- Helps teams stay organized as they grow
- Delivers quick value with minimal setup
